Citizen Q is **Q Theatre's** main bar for patrons attending performances or events within the building. For this reason, exclusive hire is only available when there are no other performances or events happening in the building.

Is there a minimum bar spend required when I hire Citizen Q exclusively?

If you are hiring **Citizen Q** exclusively, yes. The minimum bar spend is \$1,500.

Do you charge a venue hire fee for exclusive use?

For **Citizen Q**, no. However the minimum bar spend will apply in this instance.

Am I able to host a group of people for an event without exclusively hiring Citizen Q?

Absolutely. If we are open for business you are more than welcome. It's always best to get in touch first to make sure we have the room and to discuss what your needs are.

I want to give a presentation and may require some technical elements i.e. staging, PA system, DJ, projection. Is this possible?

Definitely. Our technical team are ready to help with all your technical requirements. There will be costs associated with any of these requests which we are happy to provide you with a quote.

Am I able to hire other areas of the building as well as Citizen Q?

You sure can. Our Programme Manager is on hand to provide you with all the information you need. Just to note again, **Citizen Q** may not be available exclusively if we have other events happening in the building.

I want to provide catering for my event, is this something you provide?

We currently work with Urban Gourmet to provide catering for most of our large events. If you let us know what you are after, we can get a proposal put together for you.

We also have our own kitchen in house that offers a small range of small plates and nibbles.
