CITIZEN Q : SHOWCASING THE ART OF HOSPITALITY

Citizen Q, Q Theatre's in-house hospitality division, is a boutique café, restaurant and bar in the heart of Auckland CBD's Aotea arts precinct.

Unlike any other hospitality venue in Auckland, Citizen Q fuels the art that happens around it. 100% of profits generated by our kitchen and bar are re-invested into the Auckland arts industry, feeding hearts and minds as well as appetites.

Whether you're hosting a working lunch for 20 or an awards ceremony for 200, Q's talented culinary team will keep your guests nourished. We have a range of catering packages available and can design bespoke menus to complement any occasion. Talk to us now about your next event.
